

REMARKS

The Notification of Defective Response stated that a translation of the application must be submitted, because the current translation of the Application is defective. Specifically, the Notice states that the Claims must be filed as translated from original Application, before changes are made by a preliminary amendment.

In response, Applicant encloses herewith a substitute translation which overcomes the issue raised by the Notification.

Furthermore, Applicant hereby resubmits the Amendment originally submitted on May 13, 2004, reflecting the changes in the substitute translation and requests withdrawal of the Amendment submitted on December 5, 2005.

Favorable consideration on the merits is requested.

Respectfully submitted
for Applicant,
